Dated the 14th March 1900.

To

The Secretary to the Govt of Mysore
General and Revenue Dept.

Sir

I have the honor to forward
for sanction of Government and
transmission to the Comptroller
to audit the Travelling allow-
ance bill of the establishment
of this office, for the months of Janu-
ary and February 1900 and con-
tain mileage charges on the
officials, who had been ordered
for the famabank work.

2. With regard to the expenditure
incurred

Journey from Shimoga to Anantapur for which mileage is claimed in the bill, it is to be stated that the work connected with the Jamabandi did not commence until after the arrival of the officials at Anantapur and they could not conveniently be sent out earlier. Similarly while returning from Sagar to Shimoga, rapid journey was unavoidable, as the officials could not be allowed to travel by stages, without prejudice to their work at the head quarters, while they had nothing to do on the way.

3. The officials had really to pay for carts whether travelling slowly or expeditiously. Taking the high prices prevailing this season, some concession also is deserved.
